

NEW SECURITY SEAL

# SCAN TO GET MORE!

## Enjoy exclusive benefits in only seconds

We're now including something extra with the majority of Goetze® parts – a **unique QR code!**

By **simply scanning the QR code with a smartphone's camera**, you can access all you need to know about the product and even learn new skills that will last a lifetime.

### THE REAL DEAL!

Scan the code and it gives you the instant peace-of-mind that the product is a **genuine Goetze® part**.

Learn how to verify the Unique Security Label on the next page

## EXTENSIVE PRODUCT DETAILS AT YOUR FINGERTIPS

The QR code also provides access to:

- Product part number, specification and applications
- Warranty conditions
- After sales support
- Direct email for Garage Gurus technical experts

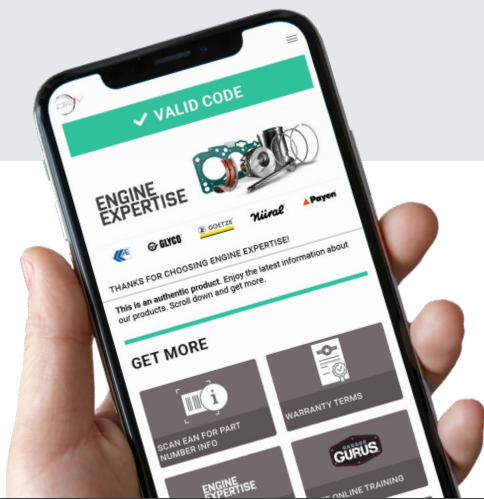

## UPDATE YOUR TECHNICAL KNOWLEDGE FOR FREE

Scan the QR code and you can enhance your technical skills for free by enrolling in the Garage Gurus® Online Training Center. Once you've spent a couple of minutes registering, you then enjoy a host of training-based benefits, including:

- e-learning course library
- webinars
- brand information

More info: [drivparts.com/en-eu/garagegurus.html](http://drivparts.com/en-eu/garagegurus.html)

## If you see the QR code, scan it - it's as essential as having the right tools for the job!

ENGINE EXPERTISE

# VERIFY THE UNIQUE SECURITY LABEL AND BE SURE!

How to check the authenticity of your Goetze® products

- 1 Check if the packaging is closed and the label is intact
- 2 Scan the QR code and follow to on-screen instructions
- 3 Verify the unique security code label:

- In direct light, the Tenneco logo and the code are shimmering in rainbow colors;
- The code is different on each package;

- The code contains the last 3 digits of the printed alphanumeric code.
